History Since 1979, Chinese Christian Schools has provided a comprehensive, college-preparatory K-12 educational program that is Christian in philosophy and Chinese in culture. Despite humble beginnings and modest resources, Chinese Christian's students have attained national and international acclaim for their academic accomplishments, civic commitment, and personal character. The schools are fully accredited by the Western Association of Schools and Colleges (WASC) and the Association of Christian Schools International (ACSI).

Admissions Chinese Christian Schools is neither exclusive nor elitist in its admissions policy. Our firm belief and practice is that all students can excel given the right attitude and opportunity. Students do not need to be Chinese or Christian to attend. We accept students from diverse academic and socio-economic backgrounds, including international students from 13 different countries.
