Hello!

In high school, I dedicated my life to serve the Lord. In college, I sensed the Lord leading me to go to seminary. During my senior year in college, God confirmed my calling to serve Him and to attend Talbot Seminary where I felt the Lord was leading me into Christian education.

Upon graduation, I felt the Lord's leading back to the Bay Area Chinese Bible Church. Three years later, God opened the door for me to begin teaching at Chinese Christian Schools. I believe He has called me to serve here at Chinese Christian Schools in whatever capacity is needed.

God has confirmed in my life through experience and the testimony of other believers that I am gifted in teaching and administration. I have had the opportunity to serve in every administrative position in Chinese Christian Schools except Superintendent and have taught every subject in the curriculum except Cantonese and Mandarin.
