Hello!

I started to serve in the Children's Ministries at Bay Area Chinese Bible Church beginning May, 2007. However, before starting, I was asked to see if I was interested in teaching Mandarin. I started to pray and seek God's guidance. Since teaching is also my interest, the more I prayed, the more I loved to take up this opportunity. I love working with children. So, therefore, I decided to teach.

God has blessed me at Chinese Christian Schools through teaching students and interacting with their parents. Whenever I teach and see the children's responses, I have joy in my heart and lots of happiness. Students love to share their concerns or worries with me. God has blessed me to pray for them. I can see how God has used me to bless others through prayer. Some students experienced how God answered their prayers. God also has blessed me through the school staff. They have been supporting me in different areas.

Jesus said: "Let the little children come to me..."
