Hello!

God has given me a desire to work with young children. I had the opportunity to work in Vacation Bible School, our church's bus ministry, and Sunday School. Throughout high school, I felt God was calling me to teach.

I pursued my career in teaching, but I did not know where I would teach. I volunteered at Chinese Christian Schools for a couple of months and in God's perfect timing, I was hired as a Teacher's Assistant for two years.

Being a Teacher's Assistant prepared me to enter into a new role as a Kindergarten teacher. I enjoyed teaching and watching my students learn and grow. I took a break from teaching after God blessed me with two sons. Being a mother gave me more experience to work with young children. I love working for CCS because I can share my faith and beliefs, and most importantly, the gospel.
