Hello!

I enjoy teaching about both God's Word and the Chinese culture. I feel that this is my mission to spread the Word of God and the Chinese culture to young generations.

Teaching is my special skill, and I think that it is my gift from God. The areas that I feel are my strengths include my faith in God and my knowledge of Chinese culture and literature. When I stand before my students, I always pray to God to let me be strong, caring, honest, and loving. I also pray to God to help me inspire them so that my teaching does not cease at the classroom door, but rather that the lessons they learn would make their lives fruitful and happy, and transformed for the Glory of God.
