Hello!

I wanted to serve at Chinese Christian Schools because of its character. **I love to work in a God-centered environment** that enables me to bring students to Jesus Christ by closely working with other colleagues and parents.

I started to play violin at the age of six, and I have never stopped playing music ever since. I have extensive knowledge and experience in music.

Moreover, through serving in the children's ministry at my church and being a student teacher, I have gained deeper insight in working with children and youth.
