B.S., Electrical Engineering

■ Experience:

- Chinese Christian Schools since 2009

■ Credential:

-

Hello!

By God's grace I've been blessed to teach here at CCS. I look forward to sharing the truth with my students, walking in the truth with my colleagues, and especially see the truth of what God will be doing at CCS.

This year. I have a passion for math and science and want to impart that to my students both in and outside the classroom.
