Hello!

I truly believe that God has called me to teach and serve in Christian education.

My desire has been to work at Chinese Christian Schools.

I believe God placed this desire in my heart in part because of my strong ties to the Bay Area Chinese Bible Church. Second, Chinese Christian Schools offers a great opportunity to minister to the Chinese community in areas I believe God has called me to serve – education and evangelism. God has used the encouragement and support of family and friends to affirm God's leading to serve Him at Chinese Christian Schools.

I give God all the glory and thanks for seeing me through each school year. I seek

God's wisdom and direction in trying to plan and present lessons that are creative and interesting. He has helped me to teach with clarity and given me the discernment to check for understanding. I trust in Him daily to keep the classroom well-managed and in control. He has surely blessed.
