Hello!

The Lord has prepared me to work at CCS by growing in me a love for the Gospel which also grew in my heart a love for people. I desire to love and care for each student, to not only be academically successful but also to be recipients of this Gospel truth. The Lord has also been practically preparing me to be a teacher through His Word. As I learn more of His characteristics, He grows me to be conformed to His image more and more. He is stretching me to be more loving, patient, kind, forgiving, forbearing, and gracious- all of which I am learning to practice in the classroom.

The Lord has blessed me much while at CCS with loving and God-fearing co-workers who I am able to labor together with doing kingdom work! I am also so blessed with the opportunity to freely minister to students with the truth of God's Word. The students have been a wonderful source of encouragement and blessing to me here at CCS.
