## Hello!

I find joy in and have a passion for teaching and working with the little children at church and at school. I am happy to come to work every day.

Many years ago, I prayed in a business office in San Francisco for a change of career. I did not want to work for the rest of my life in a business-setting environment.

I had always enjoyed working with children ever since I started teaching Children's Sunday School at church. I felt peace in my heart after praying for months to teach in a Christian school.
