## Hello!

It is in God's character to be able to use the "least" to do His work. God is patient and God is in control. **He has given me a love for our students, an absolute passion for education, and a compassion for the students' emotional and spiritual well-being.**

When God calls me to do something, I do it wholeheartedly, to the best of my ability, and with gladness. Since God has called me to CCS, I need to do whatever it takes to get the job done to the best of my ability. If that means taking education classes, then that is what I need to do. If I need to remember and apply what I learned as an accountant or small business consultant, then that is what I need to do.

I am not a public person, and I am not a perfectionist. So, God has blessed me and surrounded me with leaders who are. My call is to support and nurture them.
