Hello!

My pastor at the Bay Area Chinese Bible Church asked if I had an interest in working at Chinese Christian Schools. I considered this offer through prayer and decided to allow God to lead me. God opened doors a little at a time until I eventually became a full-time staff member.

I supervise students from 7 to 8:30 am during the Before School Program. I then assist the teachers and students with grading papers, yard monitoring, and any daily projects or task that need to be accomplished.

God's blessings: I have seen many students come to receive Jesus Christ as their Savior and many lives transformed for God's glory.
