Hello!

There are few other places I'd rather be than in the classroom with students! I realized this when I was young, and I continued to pursue that desire as God brought me opportunities to work with students. I've had the privilege of tutoring children, teaching Sunday School, helping with a camp in West Oakland, and working with wonderful master teachers in the Castro Valley schools during my formal training.

I grew up in the public school system, but I'm now eager to be at CCS. What a joy it is to speak of the Lord and His ways in every subject and throughout the day! I am grateful to be a part of the CCS family and truly believe that CCS is a great environment for children to develop academically, socially, and spiritually. By His grace, I trust that the Lord will bear much fruit through my time at CCS.
