Hello!

My association with Chinese Christian Schools began when my daughter started attending middle school here a few years ago. I have always enjoyed spending time with elementary school age children. Therefore, I prayed and asked for God's provision if it is indeed His will for me to work at Chinese Christian Schools. Opportunities soon came for me to serve first as a substitute teacher, then as a part-time office clerk, and eventually a full-time teacher's assistant within a few months. The timing was certainly much sooner than I anticipated, but I praise and thank God for the wonderful staff and students that I get to work with everyday. It is my prayer to see the children grow not only academically but in character and spiritually.
