## Hello!

God has saved me by His grace through the cross of Jesus and has called me to live as a disciple of Christ. He has provided me with opportunities to teach, in which I was able to develop a heart for the youth. I have had the privilege of attending a private Christian middle school as a student myself, from which I can relate to my students with. Also, having grown up both in an Asian and an American culture, I am blessed to be able to work with the students here at Chinese Christian Schools.

God has truly blessed me with this Christian workplace and Christian co-workers, with whom I can labor together for the glory of God. It has been a blessing to know that we work with the same mindset that the greatest human need is salvation, not education, though the unbelieving world may prioritize otherwise.

I am thankful to have the opportunity to teach and to be able to freely share the faith which was once for all handed down to the saints.
