Hello!

I had always known that teaching was my calling. Perhaps it was the Lord who had sovereignly planned to place such loving inspiring teachers in my life or because I just naturally loved seeing people grow and make progress. Whatever it may have been, I could not get myself away from teaching. I knew that if this was what the Lord had called me to do, that He would make a path for me. With my experiences with working with Sunday school students, being involved with children's praise ministry, one-on-one tutoring, the Education programs in my higher education, the Lord slowly and continually grew my heart and love for teaching.

I am so thankful for the Lord who has brought me here thus far, being a part of the beautiful CCS family that He has been building. As the Lord continues to lavish His love upon me, I wish for that love to overflow into my students. "We loved you so much that we were delighted to share with you not only the gospel of God but our lives as well, because you had become so dear to us." -1 Thessalonians 1:8

It is such a blessed joy to be serving here at Chinese Christian Schools.
