Hello!

As I prepared for college, I wanted God to lead me in my career path. It seemed that time after time, the Lord was directing me to teach after my first year in college. I did not know if the Lord was leading me to a public or private school.

In college, I had the opportunity to observe a teacher here at Chinese Christian Schools and that opened many doors that helped me decide that this is where God wanted me to work and serve Him.

I believe that God has gifted me in teaching by giving me a lot of patience. I have also been able to teach subjects that I really enjoy.
