Hello!

I strongly feel God's love on me and really want to share it with others. I also love children's ministries.

Six years ago, I was asked to teach Mandarin at Chinese Christian Schools even though I did not have any teaching experience. I felt God's calling, and I believed that God would not leave me alone in His calling.

God has given me a love for working with children and the ability to organize, direct, and relate to people.
