- University of California, Davis, B.S.

Experience:

- Years Teaching: 3
- Mission San Jose High School
- San Ramon Valley High School

Credential

- California Teaching Credential

Hello!

God has blessed me with the opportunity to have a passion to teach science to students and to see students become a positive influence on the community and those around them. Throughout my years of teaching I have been blessed to encounter other teachers who have shown love for their subject matter and students and have a desire for their students to excel in life. He has given me love, care and concern for students and a desire to continue to see students grow in their character and knowledge.
