Hello!

God has gifted me for teaching through my heart for the youth. He has also given me a strong love for history and a desire for others to see how amazingly God works and how it truly is His story.

During college, God placed in my heart a desire to teach History. God provided an opportunity to teach at Chinese Christian Schools. At first, I was honestly hesitant to work at a private school because I wanted to work in an inner-city or less fortunate locations in order to make an impact.

However after much prayer and my mother's prayer and advice, I began to see that working in a Christian environment is not only a great means to start my teaching career but **also a great way to learn to teach children that history is a display of God's perfect plan**, while having the opportunity to share the gospel with others regularly. Thus, I applied and continued to pray that God would work out His will in my life and that I would follow His leading.
