## Hello!

I have been blessed by the privilege of being able to openly teach God's Word and share how God is relevant in every aspect of learning and life. The Christian school offers the unique privilege to make a spiritual impact on students' lives that is not afforded in other types of schools. I treasure this privilege and believe God has led me to minister in the Christian school setting.

## My responsibilities include the following:

1. Mentoring teachers  
I support teachers through observing them in the classroom, meeting with them to give feedback and suggestions, trying to answer questions, offering help and support, and being a liaison between them and the administration.
2. Substitute teaching  
Carry out the plans of an absent teacher.
