Hello!

I decided to stay home when my older daughter started Kindergarten. However, I wanted to do more, so I started to volunteer in the cafeteria at Chinese Christian Schools and loved seeing and serving the children. When the opportunity of a part-time job arose, I knew this was where God wanted me to be. I continue to enjoy coming to work everyday. When the Alameda campus opened in 2003, God led me to serve Him there. Praise the Lord. The time I spent at CCS has been very rewarding.

My responsibilities are to provide technical support to the administrative staff and teachers and also serving as the CCS Web Master.
