Hello!

I believe the Lord has gifted me with patience and a love for children.

I have been blessed when I see the "light bulb" go on in a child's head, when he or she finally grasps or understands a concept. I have been blessed when I can openly pray for students' needs or the needs of his or her family. I have blessed by being able to share the gospel with my students that do not come from Christian homes.

I had met Jennifer Tom Neokul in a young adult Bible study during 2001-2002. She knew that I was a teacher and asked if I would be interested in applying for a teaching position at Chinese Christian School for the following school year in 2002-2003. I felt like it was great opportunity to not only be able to teach children but also to teach them about the love of Christ Jesus.
