

Esther Pak

Teacher; Mandarin Department Co-Head

Hello!

I am the oldest child in my family. I was told that I would always have to be a role model for my younger sisters and brother. My grandfather and my aunt were teachers. I was influenced by them very much. Now, my grandfather is a pastor, and we serve the same God. **I believe that God prepared the way for me to teach.**

I have wanted to teach ever since I was a child. I taught children in Sunday School before I had my first baby. Although I did not know that I would be a teacher, I believed that God prepared me before He let me serve in this Christian School.
