## Hello!

My name is James Hong, and I have been serving at Chinese Christian Schools in a variety of ways. I am currently in seminary and training to be a pastor in the future. I have found that transferring the Gospel message faithfully to the next generation of Christians is of first importance in the Christian faith. I have been blessed here at CCS to be able to share the Gospel with a few of the students and to model for them Christian maturity. It has been a great joy of my life to interact and teach the younger students. I thank God every morning that I am able to do what I do here at CCS. If the Lord wills, He will allow me to continue in this joyful work.
