Hello!

I have a passion to teach. I enjoy teaching. The Lord gives me an inspiration and a creativity in my teaching that I know is from Him.

Jesus planned for me to work at CCS 3 years before I knew about the calling because He directed me through a friend to a home team Bible study where I learned and shared and became friends with Julie Wong, Annette Siu, Crystal Cao, Phoebe Ng, and Linda Jung.

We were led into a financial situation that made it clear that I needed to go to work. I put out an email prayer request to my friends at the Bible study. This was in September and when Annette received my emailed prayer request, she began to make the connections that the Lord had in mind to bring me into my working relationship in this ministry.

It was clear to me that it was a God-orchestrated circumstance.
