Hello!

I have always had a love for teaching children and others. At Duveneck Elementary I was a teacher's aide for 2 years. My ministry area in both church and Bible Study Fellowship was teaching children from preschool age to fifth grade. Even though I enjoy teaching and playing with young children the most, I also have lead adult Bible Study groups.

While searching for work in the computer field after completing the Unix certification program, the Lord led me to CCS. Teaching was a goal that I finally realized at Chinese Christian Schools. At this school I can talk about Christ and teach God's truths and prepare hearts to know Jesus as their personal Savior. I know God led me to CCS because I felt God's love exemplified by the staff on campus.
