Hello!

“The best teachers teach from the heart, not from the book.”

Anonymous

That is a quote I hold true. I believe that students learn best from teachers who WANT to teach. God has blessed me richly with an opportunity to teach 4th grade and I love every minute of it. In a world where uncertainty lurks all around, the innocence found in a child’s laugh and smile is very refreshing.

In my experience I’ve discovered that every day holds something new that I have to learn. The faith that I have in Christ and what He has done for me on the cross makes my job one with purpose and meaning. Viewing my students from God’s eyes helps me strive to show them love on another level.

I graduated in 2007 with my Bachelors in Elementary Education with a reading minor from Emmaus Bible College in Iowa. I have had the privilege to work in kindergarten, first, second and now fourth grade. I am hoping to work towards my CA credential. I look forward to the many years ahead at Chinese Christian Schools and hope to be a Christ-like example to my students and instill in them behaviors that will help them be better citizens for tomorrow.
