

Jenny Lau

Teacher

Hello!

I believe God has gifted me for teaching because of my love and dedication for the children that He has put in my life. He has given me opportunities when I was a teenager to work with children in Vacation Bible School, and later as a tutor in my church, and then as a teacher of a classroom as a volunteer and student teacher.

I love working with young children and God has placed me at Chinese Christian Schools to do what He has called me to do—to teach, reach and transform the lives of the students in my classroom and in the school with whomever I encounter. I feel God wanted me to be surrounded by those who love God and those who can encourage me and pray for me in my first year of teaching. He has led me to this school and I am glad I can serve Him here.

Education:
