Hello!

I love working with children and always wanted to leave an imprint in a child's life. God has gifted me to be teacher and I cannot imagine myself doing anything else. I feel blessed that God has given me numerous opportunities that led me to my journey to serve and teach at Chinese Christian Schools. I have worked with children in Vacation Bible School, tutored inner-city children, volunteered in a classroom and later became a student teacher as I began my studies to be an educator.

I have a passion to teach because I love to see children grow in their knowledge and understanding throughout the school year. Their accomplishments bring me great joy. I am grateful to be in an environment where I can freely share God's love to His precious children. I believe Chinese Christian Schools is a place where children can be transformed academically, spiritually and also in their character. I hope God will continue to use me to reach out to my students for years to come.
