Hello!

I feel that God has given me love, care and concern for children. He has given me a desire to continue to learn and refine my teaching skills. I believe that I can be a good teacher as long as I continue to be teachable.

I was a stay-at-home mother for thirteen years. After praying and searching for a job, God led me to Chinese Christian Schools. I was fairly certain God wanted me to be here and felt a real peace about it. I feel blessed that God has placed me where He wants me at this time.
