## Hello!

I am so thankful for God's provision to work at CCS. While I was finishing up my first year of substitute teaching in Southern California, I was seriously considering a career change to counseling. Then, I heard about a teaching job opportunity at CCS through a family friend.

After speaking with the administration, and visiting the school, I was so impressed with the people and heart of CCS, I decided to move to Northern California to continue teaching. After a year, CCS has confirmed and increased my initial respect for the people and the purpose of the school.

I am proud to be a part of a school that actively seeks to bring the truth of Christ in a real and incarnate way.
