Hello!

I teach kindergarten, first grade, and second grade Mandarin. Having been a kindergarten Teacher's Assistant for the last six years has definitely trained me and prepared me to be a teacher.

Also, being a Christian, having a heart for children, and being a mother of three young children gave me tremendous experience to prepare me to work with the young kids.

I see that God's blessing is in everything. I am thankful that students can come to Chinese Christian Schools to learn not only what is in the books, but more importantly to learn about God.

I love this ministry because it is like a big family. I do not take it as a job, but rather as an opportunity to serve God. Working with all of the wonderful staff is the best part of all!
