Teacher

Hello!

The Lord has called both my husband and I to CCS at the same time; how the Lord has perfect timing! It is amazing to see how God answered my prayer even in my professional career path. It is my passion to help students become academically successful as it is also my passion to share the good news of Jesus Christ. Praise the Lord that CCS is a place that I can achieve both of these prayers.

“Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven.” Matthew 19:14 This verse holds great significance to me not only because it is perhaps the most famous verse about children in the Bible. Instead, I focus more on the words Jesus speaks to these children, specifically where he says, “...do not hinder them.” This is where I believe my calling comes in as a teacher. God has given me a heart for believing in each child’s potential so that we can help transform their lives for the glory of God.
