Hello!

In 2000, while I was in the process of completing my Special Education Teaching Credential, God led me to Chinese Christian Schools as a Fourth Grade teacher. Working with children brought me great joy. Moreover, witnessing my students accept Jesus as their personal Savior was a fulfilling, indescribable, and rewarding experience. I treasured every aspect of my teaching ministry here at CCS. I taught Fourth Grade, Math, Mandarin and Bible from 2000 to 2004, all the way until four days before our first child was born. After I became a Mother, I felt a great responsibility to raise our children and be there for them when they needed me the most in their early years. Words are not enough to describe how grateful I am to come back to Chinese Christian Schools in 2010. I have convinced that our students strongly benefit by the balance of outstanding academic training and God oriented spiritual truth. I firmly believe CCS is a school that provides the best educational program to meet children's academic, emotional and spiritual needs. I am grateful for the opportunity to work with a group of dedicated educators to minister to our younger generation.
