Hello!

I believe God has gifted me with the ability to speak and communicate. He has also given me a heart for youth and young people.

While attending college, I would call home and speak to my mother about who also taught at Chinese Christian Schools. She would tell me the difficulties she and other teachers faced and the needs of the school. As I learned more about a side of CCS I had never known, I found myself thinking, "I could fill that need."

The desire to help and be a part of this ministry grew, and in my sophomore year in college, I decided that I wanted to teach at CCS.
