Hello!

I thoroughly enjoy teaching and count it a privilege to serve the Lord in this area.

God is ever-faithful, continually equipping me and enabling me to accomplish His will. He has given me a strong maternal sense and empathy for my students. He has given me a desire to share God's blessings and God's love for children.

Having six children of my own, I have always been concerned about good education. I wanted a school that was consistent with and also supported the training at home for my children. I chose Chinese Christian Schools for all of my children. I supported the school in any way that I could and even worked for a couple of years in the school cafeteria. I always enjoyed sharing God's love to children in Sunday School, Vacation Bible School, and the children's club. So when there was a need for a full-time teacher at the school, I felt the Lord's leading to serve.
