Hello!

My family and I were introduced to Chinese for Christ, Berkeley Church, by my aunt in 1983. She shared the Gospel to my brothers and I and at 8 years old, I received Christ and was baptized.

After I graduated from college, I began work in a research office on campus. After a few months, I realized that I was not being challenged or making a difference in the world.

I knew that God had plans for me to serve Him. I prayed for God to lead me, and Joni Carlson, who had introduced me to the idea of teaching at CCS before, led me to apply.

I have always enjoyed helping and teaching others. I majored in Psychology in college to learn more about people and thinking. I focused on child psychology out of interest, and it has helped me in my teaching to better understand youth.
