Hello!

I thank God for leading me to the teaching ministry. I praise Him for making me realize that this is where He wants me to be, to share the joy with Him as students are led to His saving knowledge.

There is no other profession that is more fulfilling than a teacher and the rewards will forever touch our hearts. It gives us joy as we become part of a child's life. We find success in this profession when we see our students grow in loving and serving God. We get excited and thrilled when we hear that our students make a stand when they are bombarded with lies and deceit. Their choices can only be wise if their worldview is based on Biblical truths.

I would like to believe that among all the other ministries, the teaching ministry is the closest to Jesus' heart, because He Himself was a teacher, our model, our great Rabbi.
