What's New?

1) High School in Alameda on Wednesdays

All high school students will travel to Alameda for a full day of classes on Wednesday. This will allow all high school science classes the opportunity to use the biotech labs in the 1501 North Loop building. Transportation will be provided from San Leandro. More information to come for students who wish to go directly to the Alameda campus from home.

On Thursdays, only high school science classes will travel to Alameda for laboratory work in the 1501 North Loop building. Transportation will be provided for all students.

2) Afterschool Tutoring Program – Faculty staffed, more information to come.
