Dear Prospective Family:

Thank you for your interest in Chinese Christian Schools. Your child's education and training are very important to us and we want to assist you in making the right choice. Every school is different and not every learning environment is best suited for every child. Chinese Christian Schools offers an excellent and comprehensive college-preparatory academic program in a highly structured but supportive learning community. We encourage you to visit many schools and to ask a lot of questions. **Be sure you pick the school that is the best match for your child.**

Chinese Christians Schools is neither elitist nor exclusive in its admissions policy. Our ministry goal is to develop each student's God-given potential to the fullest. We desire to help all students who can benefit from our educational program. Students are admitted without regard to race, color, or ethnic origin. As a church school, we reserve the right to make admissions decisions in accordance with our religious beliefs and mission.

The submission of an application begins the admissions process. Each application is reviewed by the registrar for completeness and submitted to school administration for consideration. The school administrators carefully examine each application and determine what action to take in accordance with God's Will, the school's mission, and ministry impact. Some of the factors that are weighed include:

- church/school connection (children of Bay Area Chinese Bible Church members, siblings of current students, and children of staff or alumni have priority),
- prior academic performance,
- conduct, discipline, and maturity,
- student's parent and family support structure,
- church and religious background, and
- time of application.

If you have special facts or circumstances in the areas listed above that the school should consider with your application, please include a separate, detailed explanation.

Unfortunately, resources and facilities prevent us from admitting many qualified and promising students. Most grades have a waiting list. We will make every effort to act on your application as quickly as possible. If you have any questions, please do not hesitate to contact us.

Thank you again for your interest in Chinese Christian Schools.

Sincerely yours,

Mr. Robin S. Hom
Superintendent
