## Chinese Christian Schools – San Leandro

### Drop-off and Pick-up Traffic Pattern

---

**Hours in Effect:** *During these hours, enter school ONLY through Lewelling Blvd gate and entrance*

7:00-9:00 A.M.    **Please do not arrive before 7 AM** as there is no adult supervision.

3:00-4:00 P.M.    **Please do not arrive before 3 PM** and stop in the traffic lane if the gate is blocked or closed.  
This will cause traffic congestion on the street and you may be ticketed.

*The Main Fargo Gate is open for School Buses and Truck Deliveries only during these hours.*

#### **General Traffic Rules:**

1. Students who walk to school on the Fargo Ave. side of campus must enter through the pedestrian gate by the Church Office Portable, not the second Fargo gate used by car traffic.
2. Parents are NOT to park in the *red zones* on Fargo Avenue to drop-off students in the morning or pick-up students in the afternoon. You must drive onto campus.
3. Drop off and Pick up Procedure:
  - K to 2nd grade parents:** Park car and walk students to and from the classrooms.
  - 3<sup>rd</sup> to 5<sup>th</sup> grade parents:** Park and walk to the canopy pick-up areas by rooms 24-38.
  - 6<sup>th</sup> to 12<sup>th</sup> grade parents:** Park and wait or stop momentarily in the Pick-up/Drop-off Zone by rooms 34-38.

#### **Traffic Pattern:**

**Back playground area (basketball courts)** - Two lanes entering and one lane exiting to *Lewelling Blvd* with parking in the center between the lanes.

1. No vehicles may park directly in front of the canopy area by rooms 25-26.
2. Cars entering the campus will KEEP RIGHT in the traffic lane next to the building as they enter the court area and either
  - turn LEFT and park FORWARD (do not back in) into the second row of parking stalls;
  - pull into the Drop-off zone between rooms 34-38 to stop momentarily; or
  - continue past Room 38 and turn RIGHT to park along the elementary play structure.
3. After dropping off or picking up students, vehicles must be driven in a counter-clockwise direction around the center aisle and either exit out the Lewelling gate or return into the traffic lane to exit out the second Fargo gate. Be cautious and make U-turns only at the end of the row of pylons.

**Play structure side** - Two lanes exiting to *Fargo Avenue* with parking on either side of the lanes.

1. **DO NOT** drive in the opposite direction of traffic flow towards the Lewelling gate.
2. **BE CAUTIOUS** when backing up and do not back across pylons.

#### **Safety is Our Number One Priority**

- Vehicles should not stop or block the flow of traffic in any traffic lane to drop off or pick up students.
- Pedestrians may cross the parking lot ONLY at the designated “crosswalks” as shown on the enclosed map. K to fifth grade students must be escorted by adults when crossing at all times.
- Please obey the traffic monitors. Stop at crosswalks and **observe the 5 mph speed limit** while driving on campus. Violators may lose the privilege of driving on campus.
