A Message To Our Students

■ Your School

Chinese Christian High School is your school. Strange as this may sound to some of you, it is an inescapable fact that the reason why this school was created, the reason it still exists, the reason why teachers come to teach, and the reason we do what we do all centers around you - our students. Therefore, we only succeed if you succeed, and if you fail, we fail as well.

■ Your Progress

The unmistakable message is that the school administration, faculty, staff, and parents are all here to help and support you. The rules and guidelines in this Handbook are not barriers to your progress, but safeguards to give you the best possible opportunity for success. If you choose to ignore, challenge, or resist them, it will only cause you, your parents, and the school to be unhappy because none of us will accomplish our goal.

■ A Partnership

However, if we all work together in partnership, history has shown that our students reach incredible heights of accomplishment. Working together, we find little need to refer to the Handbook for rules because we can fashion our own solutions and solve our own problems. What does it take to work together? Communication, trust, respect, honesty, forgiveness, selflessness, and a host of other virtues extolled in the Bible.

■ Your Decision

The administration, faculty, and staff of Chinese Christian High Schools are committed and dedicated to working with parents and students to accomplish our mutual goals. We want to govern by relationship, not by rule, but the choice is up to you. As middle and high school students, you decide whether to accept our helping hand and guidance.

■ Our Hope

We hope that you, like hundreds who have gone before, will work with us to see how God has wonderfully equipped you to fulfill His perfect plan for your life.

CCHS Administration

Our Philosophy of Christian Education

True education begins with an understanding that God is the ultimate reality and central unifying figure of all that exists.

Because God is also personal, every individual has a duty to know Him and to carry out His Will for his life. Education prepares a person to fulfill this responsibility to God.

Knowing God is achieved through salvation in Jesus Christ and Bible study, and results in wisdom and Christian character. By constant application of godly wisdom in all areas of life and study, students are equipped to become faithful servants of God, good citizens of society, and godly leaders at home.

The **responsibility for education** lies primarily with the individual, then with parents and the church who are given the responsibility of educating their young.

The Christian school serves as a **ministry to assist** students, parents, and the church in carrying out the universal responsibility of knowing God more and serving Him better.

This is an abridged version of the philosophy statement formally adopted by the school.

Closed Campus:

For the protection of our students, a closed campus policy is always in effect on the school campus and for all school activities unless specified.

Students may not receive visitors, personal mail, phone calls, messages, or deliveries without parental permission and administrative approval.

Students are only allowed to leave campus or a school activity with written permission from their parents or a legal guardian. Students must submit a signed notice to the office by 8:30 am on the day of release.

Visitors:

All visitors must first check in with the school office and follow all stated guidelines.

To maintain safety and prevent distractions from learning, visitors without legitimate business on campus will be asked to leave.

Guests and visitors are not allowed to participate in off campus activities or to associate with students without prior permission.

There is no smoking anywhere on campus, including the parking lots.

After School Hours:

Students are allowed to stay after school only with school authorization and parental permission.

Examples of authorized programs:

- After School Care
- Student Clubs
- Scheduled Yearbook meetings
- Special study groups.

Students must submit:

- A permission slip or

The note must be submitted to the school office by 8:30 am.

Pick-Up & Drop Off Procedures:

Car Transportation:

• **1801 Campus**

All cars are to enter campus through the south gate (the one closer to Harbor Bay Parkway) on North Loop Road.

For safety reasons, please observe the 5 mph speed limit whenever on campus. Please see the site plan for additional information about traffic flow.

• **1501 Campus**

All cars are to enter campus through the first gate on A Street.

For safety reasons, please observe the 5 mph speed limit whenever on campus.

Car Drop Off: Cars may pull over out of the flow of traffic and adjacent to the curb or traffic barriers in order for students to disembark on the passenger side. Once out of their vehicles, students should stay on the curb or playground side of the traffic barriers and go directly to their assigned classroom.

For safety reasons, cars may not double park, and students are not to exit on the driver's side of vehicles. Drivers may park their vehicles in a marked stall and walk their students to class.

Car Pick-Up: For safety reasons, no curbside pick-ups are allowed. All cars are to park in a marked stall and adults must pick up and escort their child from the designated waiting area to the parking lot.

School Bus: The school bus loading zone is on the walkway adjacent to the playground area (see site map). Students waiting for the school bus are to stand in line 10 feet away from the loading zone. Students are to go directly to class after being dropped off and should not linger in the parking lot areas.

Bicycle: Students on bicycles are expected to obey all state and local regulations regarding the wearing of helmets, traffic rules of the road, and bicycle safety. Students are expected to dismount and walk their bicycles once they reach the curb/walkways.

The bicycle rack is located near the bus loading zone south of the education building. Students are responsible for locking and securing their bicycles. CCHS cannot be responsible for any theft or damage to one's bicycle.

Pedestrians: Pedestrians may enter campus from North Loop Road. Once on campus, pedestrians should use the nearest walkway and head directly to class. For safety reasons, do not linger in the parking lot areas.

Lunch Time Rules:

Unless weather conditions prohibit, students may spend their lunchtime outdoors in the playground area.

Students who wish to stay indoors during lunch may stay in the cafeteria or assigned classrooms.

Students who forget to bring their lunch will be charged for any provision the school makes for them.

Attendance Policies

Absences:

Whenever possible, parents or guardians are to notify the school office ahead of time (in writing) of any student absence. If advance notification is not possible,

For students riding the school bus, notify your driver by leaving a message at

- (510) 995-5333
Call before 6:45 am.

If no notification is received regarding an absent student, the office will call the parents that same day. If the school must repeatedly verify a student's absence due to lack of notification, a fee may be charged.

The following does not constitute an excused tardy:

- Student over-slept
- Did not get out of the house on time

Unexcused Absences: A student absence will be deemed unexcused until a written note is received from a parent or guardian. Students will not be allowed to make up any tests, quizzes, or work due on the day of an unexcused absence. An unexcused absence must be cleared within **5** school days after the student's return to school.

An unexcused absence is deemed a "cut" and the consequences may include :

- **Suspension and 40 demerits.**

AP & Honors Classes:

Students in AP & Honors Classes may miss no more than 10 class periods per quarter or 15 class

periods per semester or they must drop the class. In all other classes, students must attend 33% of the class periods in order to earn credit. Students arriving more than 10 minutes late will be considered absent.

Tardies:

If a student arrives to his first period class more than **10** minutes late, he or she must obtain a tardy pass from the office first.

Tardy Pass: It is the responsibility of students to obtain a tardy pass when they are legitimately detained from attending class. In such circumstances, a tardy pass should be obtained from the staff member who can vouch for the legitimacy of the tardiness.

Unexcused Tardy: Students will not be allowed to make up any tests, quizzes, or work they miss as a result of an unexcused tardy. Three unexcused tardies will result in:

- **5 demerits** and
- The lowering of one conduct grade each quarter.

Limit Per Quarter: Excused tardies and/or absences will not have any negative consequence on a student's conduct grade. However, students will be permitted only **5** excused tardies and/or absences per quarter without academic consequence.

On the 6th and all additional excused tardies or absences in a quarter, the student will not be allowed to make up any missed class work unless a doctor's note of excuse is submitted to the office upon the student's return.

Early Release:

Parents are to inform the office by note or phone call

- **Before 9 am**

if they need to pick up their child before regular dismissal time.

The school will only release students to parents and drivers authorized by parents. For safety reasons, photo identification may be requested.

- **Please sign-in at the office** and the student will be sent from class to meet you.
- **Do not go directly to the classrooms.**

Extended Vacations:

We ask parents not to remove students from school for early or extended vacations.

While some accommodation can be made by teachers, students will not benefit from the classroom learning environment even by keeping up with class work independently.

If an accommodation is necessary, parents are responsible to pay in advance for any additional cost to be incurred as a result.

Health + Safety

Required Records:

All 10th grade students are to have a current physical examination prior to entering.

No student can attend classes without this completed report:

- **Student's Physical Examination Report**

Other forms we require are

- **Student Health History** (blue form)
- **Emergency Information** (pink form).

It is important to inform the school nurse of **changes** regarding a student's health (i.e. recent operations) or health care provider (i.e. new doctor or plan).

Students with **special health or dietary needs** and/or **food allergies** must report it to the school nurse whether they purchase lunch or not.

Communicable Disease or Condition:

Chinese Christian High School seeks to maintain a healthful school environment by instituting controls designed to prevent the spread of communicable diseases and conditions.

The term "communicable disease" shall mean an illness or condition which arises as a result of a specific infectious agent which may be transmitted either directly or indirectly by a susceptible host or infected person or animal to other persons.

Any person with a communicable disease or condition for which immuniza-

tion is required by law or is available, shall be temporarily excluded from school while ill and during recognized periods of communicability.

Persons with communicable diseases for which immunization is not available shall be excluded from school while ill.

If the nature of the disease and circumstances warrant, the school may require an independent physician's examination of the person to verify the diagnosis of communicable disease or condition and to recommend terms and conditions for that person's presence on campus.

Chinese Christian High School **reserves the right** to make all final decisions necessary to enforce this policy and to take all necessary action to control the spread of communicable diseases and conditions within the school.

Mandatory Child Abuse Reporting:

Mandatory Child Abuse Reporting State law mandates school staff to report to the proper authorities all suspected incidents of child abuse or neglect.

Unless a civil authority instructs otherwise, it is our practice to contact parents at the earliest opportunity whenever a report is made.

Prescription Drugs:

State law prohibits children from possessing prescription drugs on campus.

Students needing to take medication during the school day must give it to the school nurse, along with a written note of instructions from a parent or doctor.

The nurse will call in the student to take the medicine at the designated time. The medication should be in its original container.

Health & Safety Practices:

CCHS promotes good health choices by prohibiting (except for parties, outings, etc.) gum, and the consumption of soft drinks or candy.

Parents are asked to set a good example and refrain from smoking while on campus and to always observe traffic rules and regulations.

Chinese Christian High School wants to have a safe, healthful, and inclusive environment for all students. To that end, we have instituted a policy that excludes all peanut/nut products from refreshments, snacks, or goodies provided for others during school or class functions, parties, and events. Baked and cooked products purchased from a store or homemade are not necessarily safe, so please remember to check all labels and ingredients carefully (e.g. check for peanut oil, traces of peanuts). Thank you for your cooperation and understanding.

Academic Policies

Curriculum Policy:

Chinese Christian High School is committed to providing the finest Christian curriculum available for its students. The materials, activities, events, and excursions that comprise the curriculum are judged according to their value in furthering the school's Philosophy of Christian Education. Each item is evaluated as a whole and in light of the other influences that make up the curriculum.

What makes a curriculum "Christian" is not the beliefs of the author, publisher, or event organizer. A Christian curriculum has a Biblically-based design in its scope and sequence of educational experiences. Thus, it is the teacher, the "pattern-maker" of educational experiences, who is key in providing a Christian curriculum. Christian textbooks that present subject matter from a Biblical perspective are an invaluable help.

Sometimes secular materials and activities, supplemented with materials to provide a Biblical perspective, prove to be more helpful to teachers. To the extent they teach truth, secular works may be part of the overall design of the Christian curriculum, since God is the source of all truth. Whether Christian or secular materials are used, teachers must first establish a solid Biblical foundation for their curriculum. The measure of a Christian curriculum is not the sum of its parts, but its consistency as a whole to God's Biblical pattern for that subject.

Grading Policy:

CCHS disavows the practice of grading "on a curve". There are no "class averages" which require some

students to pass and some to fail. We also expressly disavow "grade inflation" where students' grades are artificially raised in order to make a student or teacher falsely appear to be more successful than they are in reality.

Grading Scale & Points:

97 - 100%	A+	4.0	
93 - 96%	A	4.0	Excellent
90 - 92%	A-	3.7	
87 - 89%	B+	3.3	Good

60 - 62%	D-	0.7

* Non-passing for college admissions.

Non-Letter Grades:

On occasion, certain subjects, such as electives, are graded on a Passed/Not Passed (P/NP) basis. However, other non-letter grades may be issued in special situations:

"I" = Incomplete: Due to circumstances beyond a student's control, he/she may not be able to complete a course by the end of the grading period. In these situations, a teacher may issue an "I" for quarter and/or semester work. This is issued with the understanding between teacher and student that the student will make up the work within a specified time frame to complete the course or the "I" grade will be converted into an "F".

"NG" = No Grade: An "NG" is issued only after the administration has

decided a grade would not accurately or fairly reflect a student's effort and/or abilities. An "NG" will not affect a student's GPA and will not convert into an F.

"W" = Withdrawal: Students will need to give colleges they apply to an explanation for the "W," which indicates a student failed to complete a course without adequate justification.

Honors & Advanced Placement: Students receiving a grade of "C-" or better may earn an extra grade point (e.g. 5.0 for an A) for UC-approved Honors level or Advanced Placement (AP) classes.

AP courses are college level courses offered to qualified high school students. Check with the Academics Advisor, College Advisor, or individual colleges regarding transferable units upon passing the College Board AP exams.

Guidelines for Planning AP/Honors Classes:

In addition to fulfilling the prerequisites for the class, the overall strength of the student's academic record is used to help determine the course load for a student.

It should be noted that colleges select and calculate GPA according to their own standards.

2.7-3.0	1 AP/Honors
3.0-3.5	2 AP/Honors
3.5-4.0	3 AP/Honors

Course of Study:

The courses of study at Chinese Christian High School are composed of subjects selected to meet the high

standards and demands of Biblical education, which prescribes that the individual be

"thoroughly furnished unto every good work"

II Timothy 3:16, 17

The college preparatory courses will prepare students for the entrance requirements at the university level. All students are required to be enrolled full-time and take the full complement of classes, including Bible, Chapel, Physical Education, electives, etc., unless specifically exempted by administration.

Course Selection & Changes:

Students' class registration and requests for class changes must be done timely and approved by Administration. See the Academics Advisor for current policies and procedures.

Adding Classes: A student may add an academic class if the completed "Request for Changes in Schedule Form" is received and approved by the Academics Advisor by the 10th school day of each new semester.

Dropping Classes: A student may drop an academic class if the completed "Request for Change in Schedule Form" is received and approved by the Academics Advisor before the first day of the 2nd and 4th quarters. The class will not appear on the student's transcript.

A student desiring to drop a class after the first day of the 2nd and 4th quarters will be issued an "W" grade for the semester.

Challenging a Course:

Students generally will not receive credit from CCHS for a class not taken

at CCHS. There are very limited exceptions to this rule and they must be approved in advance. Requests to challenge a course or to receive credit for classes taken off site should be made far in advance of registration to avoid any misunderstanding or disappointment.

Requirements for Promotion & Graduation:

A 1.7 grade point average (C-) is required before students may be promoted from one grade to the next.

Before a graduation diploma can be granted, Senior High School students must earn a minimum GPA of 1.7, throughout grades 9th to 12th, with a minimum of **36** units of course credits.

The School Board and the Administration have the prerogative to deny re-admission to any student who is failing to meet the promotion or graduation requirements of the school.

Opportunities to meet the academic requirements may be extended to failing students by placing them on academic probation.

Academic & College Advising:

CCHS provides staff and resources to assist students and families in their academic and college planning and decision-making.

It is very important that students and families **plan early** and take the initiative in investigating options and information.

Due to limited resources, CCHS staff cannot provide all the individual attention students and parents may desire at the moment it is requested. The

school conducts several meetings each year to provide information on academic and college planning.

Those students and families who have been diligent in attending these meetings and in pursuing “self-help” will be given priority when allocating staff time for specific assistance.

Co-Curricular Activity Participation:

Chinese Christian High School seeks to help students develop their God-given talents and abilities in a broad and comprehensive range of areas. The school therefore offers a wide variety of co-curricular activities for student participation.

However, it is important for students to maintain the proper balance and priorities in their stewardship of time regarding home, school, church, work, and other obligations. It is the parent's duty to monitor a child's involvement in co-curricular activities. However, the school will assist by limiting participation in co-curricular activities based on a student's proven ability to uphold his academic responsibilities.

Therefore, students will be placed on Academic Probation if:

- Students earning a 2.0 GPA during the previous marking period receive a grade lower than a C- in any class.

A student may seek conditional eligibility if they maintain a 2.0 GPA or better, with no D's or F's during the current quarter. For conditional eligibility students must submit a progress report signed by all of his/her teachers to the Co-curricular Advisor.

• Students in good academic standing fall below a 2.0 GPA or drop below a C- during the mid-quarter period. After the first week of ineligibility, and with the consent of the parents, a student may appeal to the administration for conditional eligibility. Upon approval, the student must submit weekly progress reports signed by all of his/her teachers to the Co-curricular Advisor indicating that the student is on track and will be receiving at least a 2.0 GPA in the class.

If a student falls behind in any class during this conditional period, he/she will return to ineligibility for a minimum of one week.

Minimum length of Academic Probation will be one week.

In addition to the academic probation policy stated above, administration may restrict participation in and attendance to, any school activity based on poor academic performance or student conduct.

Bus Transportation Policy

Campus Flow of Traffic:

Due to the large number of cars, buses, passengers, and pedestrians that must share the parking lot, it is extremely important that every individual adhere to the established rules regarding the flow of traffic before and after school.

Once students are on campus, they are not to be in the parking lot area, unless required by school or class activities. Students are to proceed directly to or from the vehicles.

- **Do not socialize** in the parking lot area.

9th to 12th grades parents may park their vehicles and pick up their children from their **designated waiting areas**. Students are not to attempt boarding vehicles that are still in the flow of traffic.

There is to be no running or playing in the parking lots or waiting area. Pedestrians must use the crosswalks to cross parking lots before and after school.

Note:

Go to the Campus Section of the handbook for pick-up and drop-off procedures.

Student Drivers & Passengers:

Only those high school students that have received special permission from their parents and the school may drive to and from school on a regular basis. Student drivers may only carry the passengers specified in their authorization.

Student drivers may only park in their specified areas and may not go to their vehicles during the school day

without specific permission.

Students that wish to ride with a student driver must receive specific authorization from their parents and the school. Approved passengers may only ride with the student driver specified in their authorization.

School Bus Rules:

School bus drivers and monitors have the same authority as teachers and yard monitors when enforcing school rules. Give them proper respect and courtesy as you do for all other school staff.

Students must stay properly seated facing forward at all times while riding on the bus.

Students may open windows but are expected to close them before leaving.

No person or object is to hang out of the windows and no object may be thrown from the bus, into the bus, or within the bus.

Drivers will hold for students any object which is liable to cause injury during the bus route. Students are not permitted to bring glass containers, sharp or bulky objects, animals, or insects on the buses.

For safety reasons, students riding the bus will refrain from using writing instruments (such as pens and pencils) or playing any musical instruments.

There is no eating and drinking on the buses. All trash must be disposed of in the receptacle provided on the bus.

Daily Bus Riders:

Be ready for your pick up each morning, waiting on the sidewalk at least 10 feet back from the curb.

- **The school bus will not honk if you are late.**

When on campus, board and exit the school buses in the designated areas only.

Do not exit the bus without explicit permission from the bus yard monitor or driver.

Drinks of water and use of restrooms are to be done before boarding of buses.

Students are to be in their buses ready to go home

- **No later than 3:30 pm**
(12:45 pm on minimum days).

If you are going to be absent, notify your driver by leaving a message at

- To be Announced.
Call before 6:45 am

Shuttle Drop Off in San Leandro:

- Students must be picked up within 15 minutes of drop off
- Students are to wait in designated areas for pickup
- K-8 San Leandro Campus is a closed campus. Students roaming around the campus will be reported and may lose privilege of riding shuttle.

Lunch money may be deposited into accounts by making payments at the school office (Alameda & San Leandro) or the cafeteria office (San Leandro).

Lunches are purchased on a "Pre-paid" basis. All students should have money in their accounts **before** purchasing their first meal.

Students or parents should check the lunch **balances** in their PowerSchool accounts regularly.

- <http://ccs.powerschool.com/public>

Fees will be charged for negative balances and checks returned due to insufficient funds.

Money remaining in the accounts at the end of the year will be forwarded to the next school year, unless a refund is requested.

Additional information is given on the menu handouts.

Purchasing Lunch:

High school students will purchase lunch by presenting their student ID cards.

Student ID Card:

The student ID card is the student body card, which is used in the Cafeteria, Library, and wherever student ID is needed.

New students will receive temporary student ID cards to use until their permanent student body cards have been processed.

Returning students may use their previous year's student ID cards or request temporary ones until the new cards have been issued.

A fee of **\$5.00** will be charged to replace a lost, permanent student ID card.

Student Conduct

Chinese Christian High School is concerned with the Christian character of its students as reflected in their conduct. Christian self-government is the rule and standard at Chinese Christian High Schools. The policies outlined are designed to instruct students in the proper management of themselves, their property, and their liberty.

Student Conduct & the School Learning Environment:

Chinese Christian High School believes it is crucial to teach and impart Christian Education in an environment that supports, esteems, and nurtures those same values and beliefs.

Therefore, the school maintains the right to improve the learning environment for each student by making changes in a student's interaction with the school's staff, facilities, academic program, and student body.

It is well documented that classmates play a major role in the values, influences, and attitudes that are imparted in the school environment.

- **All students are therefore expected to respect and promote each other's desire for a Christian education by being a positive influence on his/her classmates, whether on or off campus.**

In some extreme circumstances, a student may be asked to withdraw or an alternative learning arrangement may be implemented in order to provide that student with the proper learning environment and/or to main-

tain the proper learning environment for others.

Lockers:

Lockers are assigned to each Senior High student for the temporary storage of textbooks, school supplies and personal property during the school day. They are the property of Chinese Christian High School and are made available for the use and convenience of students. Students may be charged for damaged or dirty lockers requiring repair or cleaning. The student assumes full liability for any property stored on campus, including things placed inside lockers. Any loss, theft or damage of property stored in the lockers is the student's responsibility.

The following rules and regulations shall govern the use of the lockers:

Locks: Students shall be given the combination of the built-in locks. Any attached lock found on lockers will be removed. Students may not make use of an unassigned locker. Leaving a locker open or unlocked may result in forfeiture of locker privileges for a specified length of time.

Access: Students may not gain access to any locker other than their own. Students may use lockers before school, during passing periods and lunch, and after school until 5 pm. Students are NOT to share combinations with other students.

Maintenance and

Inspections: Lockers are to be kept clean and orderly at all times. No permanent decorations are allowed on or in the lockers. Students

shall not kick, hit, strike, or slam lockers. There will be locker inspections by Administration, both announced and unannounced, to ensure their maintenance and proper use. Locker organizers (available from Target, Wal-Mart, etc.) are highly recommended.

All individuals entering onto the campus should take note that the premises are protected by a video surveillance system. School officials routinely monitor campus public areas and video images are recorded for future reference if needed.

Students, student belongings, and student possessions may be subject to reasonable inspections, searches, and seizures as determined by school administration to ensure compliance with school rules and policies.

Cell Phones:

When classes are in session, cell phones and other communications devices are to be turned off, stored away, and not displayed in public. Students may not receive or send communications on these devices during classroom hours without prior permission from administration or the school office.

Non-Instructional Private Property:

Electronic devices, such as laptops, tablets, MP3 players, etc. may be brought onto campus only with prior permission from the teachers or administration. Such items may only be used for instructional and educational purposes, not for private entertainment.

Confiscated items will be released only to parents in person.

Inspections:

All individuals entering onto the campus should take note that the premises are protected by a video surveillance system. The public areas of the campus may be monitored by school officials and video images are recorded for later reference if needed.

Students, student belongings, and student possessions may be subject to reasonable inspections, searches, and seizures as determined by school administration to ensure compliance with school rules and policies.

Confiscated items shall only be released to parents through the school office. Confiscated or lost & found items that are not claimed by the end of each quarter will be deemed abandoned.

Sexual Harassment:

Chinese Christian High School believes, as a matter of faith, that God loves all people, that He desires everyone to be saved, and that as Christians, we are to love all people, live peaceably with all people, and do good to all people, especially those of the household of faith.

In our dealings with others, we are to bestow honor, respect, and Godly love, preferring others before ourselves, and loving our neighbor as ourselves.

Consistent with these beliefs, the school has adopted formal sexual harassment policies addressing employee-to-employee, employee-to-student, and student-to-student relationships. These policies are to be included in the Employee, Faculty, and Student handbooks. They are to be implemented as described below, consistent with the Articles of Faith and By Laws of Chinese Christian High School.

General Guidelines for College Coursework

1. An application to the college must be submitted along with the additional paper work required for high school students.
2. A placement exam must be taken prior to registering for a math or English class.
3. Class registration occurs after the application has been processed. Students are notified of their priority date for class registration by the college.
4. After completing the course, a transcript from the community college needs to be sent to CCHS before any high school credit can be given.
5. The course needs to be at least 3 units to receive high school credit.
6. If a class is not accepted for high school credit, the course may still be listed in the student's college application if the course is a transferable course to the 4-year institution the student is applying to.
